QUOTES FROM COACH JERRY STOVALL:

"Our offense at times tonight was tremendous. I don't know how many fumbles we had, but it was a lot less than we've been having."

"We played a young man tonight named James Brooks who is one of the finest running backs I've ever had the pleasure of watching--on film. There was not was of a pleasure to watch him out there tonight."

"Two or three times we moved it from deep in our territory and then missed field goals, but we had fifth or sixty yard drives. Those are important, because they eat up the clock and give our defense a chance to rest."

"If we had been playing somewhere tonight, after they had blocked that punt, I don't know if ~~were~~ we could have kept them out. We only have 11 play at a time, but I think we had about 76,011 out there tonight."

~~XXXX~~On Marcus Quinn:

"That pass (from Auburn quarterback Joe Sullivan on fourth down) should have been a touchdown. He shouldn't be able to jump that high, but he did. He shouldn't be able to run that fast, but he did."

"The big thing about this victory was being able to come from behind."

QUOTES FROM COACH BARFIELD:

"LSU is tough and play well on defense. They're the best defense we've played this year."
"WE POUNDED THEM PRETTY HARD and they held tough."

"We should have won the game because we were ready and we played hard but, we just couldn't do the job of getting the ball into the endzone."

"I definitely feel that LSU's fans helped them win the game. We let them come back and score, when we shouldn't have."

"LSU managed to make big plays on offense while we did not. But I'm not taking anything away from our defense. They played hard and never quit."

"EVERY LOSS Is frustrating, none more than another."
